GRANDMASTER BLACK BELT PROMOTION

Please join us in congratulating the following students for their successful advancement to their next belt level.

Grandmaster Cynthia Brown, 8th Dan

“What an incredible journey I have been on with so many of you throughout the years! Over 3 1/2 decades! Through Taekwondo we have created so many memories, and I look forward to the ones I have yet to experience. Thank you for all your support as I went to Boise for my test.

I think one of the most special aspects of being an instructor is to see our young people mature into such wonderful, productive adults. I love to see them come back and share what they are doing with their lives.

Special thanks to my husband Master Brown, all our Masters, instructors, and assistant instructors for helping carry on the legacy of Great Grandmaster Kim.”
